

Hiring: Associate Dietitian (part-time)

Sumra RD Nutrition, LLC is a thriving nutrition practice located in Bristol, Vermont. We practice from a fat positive, Intuitive Eating, anti-diet, and Health at Every Size (HAES) lens, specializing in helping individuals and families struggling with disordered eating/body image and/or family feeding dynamics to develop a healthy relationship with food and their bodies. Sumra RD Nutrition is looking to hire a compassionate, HAES-aligned, and skillful dietitian to expand her growing practice.

At Sumra RD Nutrition, we treat bodies of all sizes, shapes, genders, sexual orientations, races, ethnicities, and backgrounds. We prioritize being an inclusive and safe space for all. We are looking for a team member who is similarly passionate about providing evidence-based, weight-inclusive care to *every body*. In order to best serve our clients, Dietitians with identities historically underrepresented in dietetics are encouraged to apply-including but not limited to those from BIPOC, LGBTQIA+, and/or fat-positive communities.

Requirements

- RD/RDN credentialed via the Commission of Dietetics Registered (CDR)
- Certified Dietitian in the state of Vermont
- Reside in Vermont
- Minimum 2 years of experience, with at least 1 year nutrition counseling experience
- Available to provide medical nutrition therapy for 8-10 client sessions per week/10-12 hours per week. This includes comprehensive nutrition assessment, treatment and planning, as well as ongoing follow-up care and collaboration with client healthcare team as appropriate. Actual caseload to be determined by client demand/need, as well as clinician availability.
- Access to reliable internet and appropriate, private, home office space if desiring to conduct telehealth visits from home (instead of the office).
- Experience working with disordered eating and advanced training or expertise in one or more of the following areas: eating disorders, GI disorders, hormonal health, sports nutrition, pediatrics/adolescents (or other practice area/chronic health condition).
- Alignment with and strong understanding of anti-oppressive, weight-inclusive care and utilization of Health at Every Size and Intuitive Eating paradigms.
